ERRATA

No. 3. **Margaret Whipple.** Second Generation. Page G 7

Following the last line "sons Hercules and John are mentioned." ADD

Laurence Arthur was the son of Robert **Arthure** of Boreham. He was identified as a son in Robert's will proved 18 June 1558.[1] Laurence was a Clothier in Bocking, who in his will dated 1 May 1623, asked to be buried next to his late wife [Margaret] in the churchwarden of Bocking. Arthur had two additional sons, supposedly by his second wife Judith.

iii: John **Arthur**. He was alive in 1656 when he was identified as a minister of Clappen in his brother Hercules' will.

iv. Laurence **Arthur** who was buried in Bocking 4 July 1621.[2]

In his 1623 will, he mentioned his wife Judith, eldest son Hercules, youngest son John, six daughters by Judith: Sara, Judith, Mary, Jeane, Elizabeth, and Rebeckah, son-in-law Henry Pye, and brother-in-law John Hawkins of Braintree, named overseer. When Hawkins wrote his will 14 Feb. 1619/20, he only mentioned grandsons John and Laurence Arthur, which suggest they were sons of his sister Judith Hawkins, not Margaret Whipple.

Hercules' will is in Prerogative Court of Canterbury (1657 65).

It is awe-inspiring to write a tome of this vast nature. The political and social conditions portrayed are done in a deft manner. The depth of biographical data on thousands of individuals is almost unbelievable.

***William P. Whipple II**, Cedar Rapids, Iowa.*

This is a fascinating book. Blaine has a talent to write history in a way that makes people, places, and times come alive.

***L. Dale Whipple**, Benton, Louisiana.*

WOW! The extent of the research and knowledge of the subject and writing style make this book a must read.

***Weldon Whipple**, Orem, Utah*

I admire this book. The writing is fresh and engaging and the historical chapters add depth and interest to the genealogical narrative.

***Malcolm Whipple,** Utica, Illinois.*

The research and meticulous documentation is monumental. The photographs and maps add interest and each segment of the voluminous work expands the reader's knowledge of the descendants of Matthew Whipple's family.
